FEBRUARY 2018

## BRING ON 2018

I hope that everyone had a very good Christmas and Happy New Year.

We are well on the way to what we hope will be a very successful season 2018.

The committee, coaches, players and volunteers around the club have been working hard over the summer to try and make this the Year of the Zebra.

If you would like to be involved please see a member of the committee otherwise we appreciate each and every one of you who continue to support the Zebras in one way or another.

We will unveil our new electronic scoreboard prior to the season, thank you to the Department of Infrastructure and Community Development for their help with money towards this project, the Forest Hill Football Netball Club, Forest Hill Juniors and Forest Hill Cricket Club who have all contributed towards making this happen.

## SENIORS COACHES REPORT

Season 2018 is fast approaching as the players returned to training post-Christmas in January.

Our preparation for this season has been solid with the emphasis on our game plan, structures and ensuring all players obtain the fitness required to run our four quarters of football.

A number of new players have joined the club since my last report in December and I welcome you to the Zebras. As is always the case there will be some jumper number changes for existing players in 2018 and with

a number of new recruits at the club best to ensure you attend our first home game Round 1 vs. Surrey Park to familiarize yourself with this year's list.

We had a training camp last weekend in Sorrento which is a vital component of our pre-season in terms of building up our fitness base, players bonding and set our goals for season 2018.

At this stage we have three practice games scheduled, Box Hill North 7<sup>th</sup> March, Boronia 17<sup>th</sup> March and Canterbury 25<sup>th</sup> March, watch the club's social media pages for game details.

I encourage each Forest Hill supporter to become a member of the club in season 2018 and if you really want to assist the club financially join the 200 club (I already have) and or become a club sponsor. The club needs your support don't just follow the Zebras be part of the club.

To our sponsors thank you for supporting Forest Hill, I know a power of work has occurred during the off season by the committee to secure new partners of the club,

I look forward to meeting you all at our seasons launch and thank you on behalf of the players and coaches for your support.

Finally, the 2018 fixture is out so hopefully all members and supporters have locked in as a minimum our 9 home games.

I'm looking forward with much anticipation the commencement of season 2018, looking forward to seeing all our supporters on the terrace at Fraser place in Round 1.

Go Zebras Martin Stillman  
Senior Coach

## FOREST HILL JUNIORS REPORT

Following on from a very successful 2017 season, 2018 is shaping up to be an even better season for the Forest Hill Juniors, with 7 teams to take the field. We will be fielding U9's, U11's, U12's Girls, U13's, U14's, U16's Girls and U17's.

Our U17 boys are already well into training and with other sides commencing shortly. Interest in all age groups is very high, and we ask that players register as soon as possible to secure their place in a team. Registering is easy; online at [www.zebras.org.au](http://www.zebras.org.au), and simply click on the Register button and you are on your way.

We are also seeking Coaches for our Ugs and U12(Girls). If you or anyone you know is interested, please contact Brendan McKenna on 0421 583 070, John Andrews on 0412 692 004, or don't hesitate to contact me on 0418 571 707.
